

A Walk Through the Ruins

Across

3. A place where Nabataeans saw plays, music concerts, poetry readings, and even speeches
4. These ancient buildings probably held Nabataean kings and their families
8. A grand cathedral built in AD 500
9. Rows of gigantic columns decorated the temple inside and supported its roof
10. This main street ran through the heart of downtown Petra

Down

1. Pieces of Nabataean pottery show that the earliest house was built about AD 20
2. This monument is as high as a 13 story building
5. Provided a dramatic entrance to Petra
6. Its great size and central location prove that it was an important monument in the ancient city
7. This temple was built at the intersection of two caravan routes even before Petra became a city
