

Animals of the Arctic

Across

3. People say I'm a whale, but I'm really a dolphin

7. I love to fly and contrary to popular belief I am not actually bald

8. I thrive in the night. You may know my friend Hedwig!

10. My antlers can grow as large as 6 feet

11. I have two large tusks and weigh over a ton... but I'm not an Elephant

12. I'm black and white and waddle when I walk
Down

1. I love to howl and play with my packmates

2. I have a long white bushy tail and can run really fast.

4. I may look white and fluffy, but I'm the largest carnivore on land

5. I'm usually busy pulling Santa's Sleigh

6. People call me the unicorn of the sea

9. I look like a penguin but I am not. Unlike a penguin, I can actually fly...
