

Aquarium animals

Across

7. She can change colors but is usually red. She has 8 arms.
 8. I am not allowed to be touched and I swim fast
 9. I have lots of tentacles which I close when I'm eating
 10. I am the only one of my kind here and grow up in eelgrass beds

Down

1. I have many spines and look like a ball

2. I inhabit other creatures' shells and move to bigger shells as I get bigger
 3. Humans eat me often and I have many walking legs
 4. Has five arms and comes in many colors
 5. I have pinchers that can hurt the bigger I get
 6. I am long and slender and like to hide in my cave all day
