

Name: _____

Date: _____

Baseball Terms

Across

3. The first base runner when more than one runner is on base.
 7. A baseball that is hit high into the air.
 9. A baseball that is hit on the ground. Also called a "grounder".
 10. The next batter due to bat.

Down

1. When a baseball player hits a single, a double, a triple, and a home run in one game.

2. When a batter holds the baseball bat out and tries to barely tap the ball vs. taking a full swing at the ball. The batter might do this to advance another base runner.
 4. A mistake in fielding the baseball by the defense that allows a batter to reach base or a base runner to advance.
 5. A slow pitch that is meant to look much faster.
 6. The four bases of the baseball infield.
 8. When one fielder throws the baseball to another fielder who then throws the baseball to another fielder.
