

Name: _____

Bra's

Across

- 2. is quite similar to a padded bra. It has smooth and seamless cups that don't leave any impression when worn under body-hugging outfits
- 3. have no back straps or shoulder straps. They have an adhesive on the inner side of the cups that stick to the body and stays put
- 5. is best suited for women with larger breast size who don't want any additional volume
- 6. are the ones that have a tank top-like back. These work best under outfits that have a similar back style
- 14. single strap that either goes around the neck or straps that can be tied at the back of the neck
- 15. is designed to help you with just that. It is ultra smooth
- 16. bra whose cups are prolonged in straps
- 18. features transparent back straps and shoulder straps
- 19. half bra. The cups are half/ smaller in size in comparison to a full cup bra. The bra covers much less area of breasts while ensuring the nipples are fully concealed
- 20. undergarment being used to support the breast
- 22. This style can be worn without the straps

- 24. have demi-coverage cups that cover one-third of the breasts and have a deep neckline all the way to the centre gore
- 25. are the fanciest bra type of all. The premium fabrics like lace and satin add to the bridal charm
- 26. Quite similar to a bandeau bra, this bra has no hooks, pads, or wiring slip-on style to make it a happy experience for the young girls.
- 27. fitted ad low cut bodice without straps

Down

- 1. bra which lets see the top of the breast
- 4. it allows multiway styling including one strap, two straps, cross-shoulder, halter, criss-cross and even strapless. This one bra solves the purpose of many bras combined
- 7. feature a clasp or a hook at the centre gore. This can be considered as the most convenient bra to wear
- 8. these bras have wired cups, although the cups may or may not be padded
- 9. They feature a flap at the cups for easy feeding access
- 10. This bra is utterly comfortable and sits perfectly under your busts. And if you think they're not supportive, you're highly mistaken

- 11. are a must-have for any physical exercise
- 12. These are pretty basic in structure with no wiring, no padding and no straps
- 13. is crafted with padded cups or has pockets to insert pads
- 17. have full coverage cups and broader side coverage
- 21. This is probably the sexiest bra style available in the market. It makes the perfect pick for a honeymoon or those special nights
- 23. is a very sexy style that features multiple straps on the front or back
