Bridget's Bops

Across

2. Somewhat embarrassingly, a song from this popular video game (with a recent netflix adaptation) made its way into your top 5 songs of 2021
7. Thank the lord you did not end up with this as one of your top 5 genres
12. This artist with a couple Grammys on him, a couple plaques aye, has some certified bops that found his way to the top of our blend
13. This artist has songs begging a player to select a healer and pleading for a dragon to take its tyranny away, they also have made multiple appearances at BronyCon
15. Your top song of 2021, a Jon Brion masterpiece that you listened to 188 times.
16. This artist's song Somebody I Fucked Once goes stupid hard
18. The bar that won unequivocally won Harry the rap battle against Luke mentioned this house

19. This artist probably has the most hits of any modern pop artist, but the only one that I love is Love Story, you like a lot more though.
20. You might not be as big of a fan of this band as your sister is, either way there's a story at the bottom of this bottle and I'm a pen
- ### Down
1. This artist has gone on record to claim that allegedly cows are farting right now
3. Very happy you introduced me to this band, even if the tickets I bought were just a tad overpriced
4. The singer of this song laments not even being able to parallel park, something she probably has in common with yourself
5. Even though you have some objectively bad songs in your top 100, at least none of them are from this obsessive genre
6. This artist became my top artist of 2021, singing 4 of his top 5 songs, and was shown to him by you

8. It is all too easy to speed when listening to this Paramore Song
9. This artist (now legal) is responsible for a Happier Than Ever, one of your top 5 songs of 2021
10. This band's most famous song plays at the end of Fight Club. (Still looking for it btw)
11. This band threatens to roast your parents on a spit if you can't show them a word that rhymes with its name
14. You're still holding out hope that these guys can come back together for a reunion tour
17. You might not be as big of a fan of this band as your step-sister is, either way there's a story at the bottom of this bottle and I'm a pen
