

# Cell Organelles

**Across**

- 1. "Hey, I'm Dot cause I'm really small, but I make plenty of protein!"
- 3. "I'm Chloe and I love to travel, but you will never find me in a animal cell city. I shop for the best sunlight in the area to make food for the city."
- 6. "Hey, I'm Mitch. The organelles always call me the party animal of cell city, but in reality, I just have a lot of energy!"
- 7. "My brother, Rough ER, and I are the best in the city! I'm not a bus driver though because I don't like that girl, Dot and her friends!"
- 8. "I'm like the glue that holds the cell in place. I don't know what they'd do without me!"

- 9. "I'm cell city's bus driver! I transport materials throughout the city. My number one rider is Dot!"
- 10. "Oh, no! You can't come in! Oh, you? Right this way!"
- 11. "I'm Lenny. Unfortunately, I'm the city's mortuary owner. When an organelle dies, it's my job to digest them and their waste."

**Down**

- 2. "I'm the cell city mailman. I process, package, and sort all of the city's program."
- 4. "Sometimes, the city's cell membrane doesn't always do it's job right, so that's where I come in. Before they get to him, they got get through me!"
- 5. "Vicky here! I work at the grocery store here in cell city. I keep all the proteins until organelles come and pick them up!"
