

Cells

Across

- 2. Longest phase of the cell cycle**
- 6. Made from organ systems**
- 8. cell structures**
- 9. when the DNA replicates during interphase**
- 10. made from groups of organs**

11. Made from colonies cells

Down

- 1. How plants make food**
- 3. The splitting of the cytoplasm**
- 4. splitting of the nuclei**
- 5. The smallest complete unit of life**
- 7. made from groups of tissue**
