- | | | | |
|---------------------------|---------------------------|------------------------|------------------------|
| Alternate exterior angles | Alternate interior angles | SSS similarity theorem | SAS similarity theorem |
| Linear pair of angles | AA similarity theorem | Supplementary lines | Perpendicular lines |
| Coincidental lines | Center of dilation | Interesting lines | Similar triangles |
| Point of rotation | Angle of rotation | Dilation factor | Reflection line |
| Coplanar lines | Parallel lines | Transformation | Scale factor |
| Transversal | Enlargement | Translation | Skew lines |
| Reflection | Reduction | Pre image | Dilation |
| Rotation | Plane | Image | |
