least common denominator  
Distributive Property  
algebraic fractions  
complex fractions  
cross product  
like signs  
exponent

greatest common factor  
front-end estimation  
compatible numbers  
additive inverses  
mixed number  
multiple  
power

least common multiple  
equivalent fractions  
improper fraction  
absolute value  
lowest terms  
integers  
base
