Chapter 3

Across

2. hostility toward immigrants
6. an organization that is authorized by law to carry on an activity but treated as though it were a single person
8. a decline in the volume of available money or credit that results in lower prices, and, therefore, increases the buying power of money
9. a combination of firms or corporations formed by a legal agreement, especially to reduce competition
10. the person in control of a political machine

Down

1. one who organizes, manages, and assumes the risks of a business or enterprise
3. a policy that government should interfere as little as possible in the nation's economy
4. total control of a type of industry by one person or one company
5. relating to large groups of people classed according to common racial, national, tribal, religious, linguistic, or cultural origin or background
7. an ongoing increase in prices and decrease in the value of money
