Chapter 3 Vocab

Across

8. agreements among a state themselves and with foreign states
 10. ensures that all States recognize public records, such as birth and marriage certificates
 11. an act directing the people of the territory to frame a proposed State constitution
 12. powers that the Constitution does not grant to the National Government and does not, at the same time, deny to the States
 13. an act creating the new State

14. grants of federal money or other resources to the States and their cities, counties, and other local units

15. grants made for some specific, closely defined purpose

Down

1. no State can draw unreasonable distinctions between its own residents and those persons who happen to live in another State
 2. grants made for much more broadly defined purposes such as healthcare
 3. grants made to States, localities, and sometimes private agencies that apply for the grants

4. declares that The Constitution and the laws and treaties of the United States are "the supreme Law of the Land"

5. powers that both the National Government and the States possess and exercise

6. the legal process by which a fugitive from justice in one State can be returned to the state that they fled from to avoid punishment for crime

7. all political power resides in the people

9. Reject
