

Civil Rights

Across

- 2. the state of being free within society from oppressive restrictions imposed by authority on one's way of life, behavior, or political views.
- 3. just behavior or treatment.
- 5. the power or right to act, speak, or think as one wants without hindrance or restraint.
- 6. the state of being equal, especially in status, rights, and opportunities.
- 7. people who share biologically transmitted traits that are obvious and considered important.

9. withdraw from commercial or social relations with a country, organization, or person as a punishment or protest.

10. combine one thing with another so that they become a whole.

Down

- 1. the unjust or prejudicial treatment of different categories of people or things, especially on the grounds of race, age, or sex.
- 4. set apart from the rest or from each other; isolate or divide
- 8. a statement or action expressing disapproval of or objection to something
