

Cold War

Across

3. France refused to liberate French Indochina; Ho Chi Minh helped escape colonial rule and then led North in invading South; North won and united country under communist government
4. Idea that if one country falls to communism, neighboring countries will fall too
10. USSR, Hungary, Czechoslovakia, Bulgaria, Poland, etc. = military alliance
14. North (supported by the USSR) invaded South (supported by US) in an attempt to unite under communism; no one wins and boundary remains at the 38th Parallel
16. USSR attempt to limit ability of France, Britain, and US to travel to their sectors of Berlin; resulted in the Berlin Airlift
17. Center of power in USSR
18. Gave Iron Curtain speech to warn that the Soviet Union had divided Soviet-dominated Eastern Europe from the West
19. Increased armies and stores of weapons to keep up with enemies

22. The battle between the United States and the Soviet Union in which both nations aimed to be the first to explore outer space
23. Barrier that separated East and West of Berlin; built by the Communist government of East Germany to keep the country's people contained
24. George Kennan's policy to keep communism in its existing boundaries
25. USSR missiles in Cuba vs US missiles in Turkey; both countries later agreed to withdraw their holdings

Down

1. First man-made satellite to space
2. A nation under heavy political or economic influence of a more powerful nation
5. Period of political tension; ends with the fall of communism *US vs USSR
6. Policy of holding arsenals of nuclear arsenals to prevent war
7. Provided economic aid to Turkey and Greece
8. Imaginary barrier that divided Europe into the communist East and anti-communist West
9. Belgium, Luxembourg, France, Netherlands, Britain, Italy, etc. = provide mutual help if any member is attacked
11. Chiang Kai-Shek (nationalism) vs Mao Zedong (communism); Mao won = establish People's Republic of China; nationalists fled to Taiwan
12. Provided \$13 billion to rebuild Europe after WWII
13. Played a part in the Cuban Missile Crisis and the global nuclear arms race
15. Powers use third parties as substitutes instead of fighting directly
20. Communist guerrilla fighters that almost seized all of Vietnam
21. President of U.S during start of Cold War
