

College Application Terms By L. Brooks

Across

5. Early decision is similar to early action, but if the student is accepted to the college, it is a binding agreement and the student must attend that school.

6. Its a more detailed financial aid application than the FAFSA and is required by some, but not all, colleges/universities.

11. The form to be completed to determine a students eligibility for federal financial aid, which is based primarily on the students family annual income and assets.

12. Some colleges offer early action deadlines by which students submit their full application before the regular dead line and receive their acceptance status earlier than regular deadlines.

14. Some colleges require students to submit their final transcripts and discipline records at the end of their senior year in high school.

15. Universities that offer advanced degrees award graduate degrees upon completion.

Down

1. Many colleges use a basic college application that can be used for multiple schools.

2. Eligible students may be able to waive or reduce college application fees and related ACT/SAT fees. Check the college board and the college directly for more info about fee waiver options?

3. Its a college application whose parents did not complete a bachelors degree.

4. The terms "college" and "university" can both represent four-year post-secondary schools . The main difference between the 2 is that universities usually include four-year undergraduate degrees and graduate degrees, where as most colleges do not have graduate programs

7. Most colleges award a bachelors degree when the students complete their required course work and graduates.

8. Its the GPA of core classes.

9. Most colleges require essays as part of the application

10. A measure of how a students GPA compares to other students in the same graduating class.

13. Can include students of all races but primarily serves African American students.
