College

Across

2. Day of graduation.

4. Money you receive for you college tuition or expenses that you may or may not have to pay back.

10. Time set aside by professors or teaching assistants for students to visit their office and ask questions or discuss the course they teach.

12. A type of degree awarded to students at a US community college, usually after two years of classes.

13. A degree awarded to undergraduates, usually after four years of college classes.

14. : A class that must be taken before you can take a different class. (For example, Astronomy 100 may be a prerequisite for Astronomy 200.)

15. A student who lives in and meets the residency requirements for the state where a public university is located.

17. Highest academic degree. Awarded after a masters degree

Down

1. Courses you take by computer instead of in a traditional classroom.

3. A description of a course which also lists the dates of major exams, assignments and projects.

5. A degree awarded to graduate students. The awarding of a master's degree requires at least one year of study (and often more, depending on the field) after a student earns a bachelor's degree.

6. Your primary area of study

7. A student who enrolls in at least a minimum number (determined by your college or university) of credit hours of courses.

8. The number of hours assigned to a specific class.

9. An official academic record from a specific school. It lists the courses you have completed, grades and information such as when you attended.

11. Type of academic term. A school with this system generally will have a fall semester and a spring semester (each about 15 weeks long)

16. assigned by your college or university, who can help choose your classes and make sure you are taking the right courses to graduate.
