

Complete The Care Plan Contents!

Across

- 4.** I am found on the profile page, you may need me if I am unwell?
- 6.** I may see these often or not but they still need to be recorded?
- 10.** I can be found in section two of the careplan?
- 11.** This needs to be assessed regularly as it could change without a clear reason?

- 12.** You can find me throughout the care plan, I may be useful in times when I am unwell and you need to call a doctor?
- 13.** Here you will find your ticket to a ride through my past.

Down

- 1.** You need to do this regularly to ensure I am getting what I need?
- 2.** You will find in detail what I can do, and what you can do to help me?

- 3.** You make assessments to ensure this area is safe?
- 5.** I do this on a daily basis, but you may need to help me do this safely?
- 7.** You say this word when filming a movie, but you also need to think ahead about what I include?
- 8.** You may call me in times of need or just to keep in contact?
- 9.** I may react very quickly, my symptoms can be quite severe?
