

# Contact Lens Care Systems

## Across

2. If you drop a lens, do not \_\_\_\_\_ it along the surface, as this may cause the lens to become damaged.  
 5. never touch the \_\_\_\_\_ of the solution to anything.  
 6. Renu Fresh Multi-purpose fights \_\_\_\_\_.  
 8. Clear Care Plus Solution cleans and \_\_\_\_\_ your contact lenses, with hydrogen peroxide.

9. Be thorough but \_\_\_\_\_ when cleaning your lenses, as they can crack, chip or scratch.  
 12. Never reuse \_\_\_\_\_.  
 13. replace your \_\_\_\_\_ every time you buy a new bottle of solution.  
 14. A \_\_\_\_\_ tipped bottle means the solution cannot be put into the eye.

## Down

1. Always read over the \_\_\_\_\_ completely before using a product.

3. Always store your lenses in a case with \_\_\_\_\_.  
 4. never mix and match solutions made by \_\_\_\_\_.  
 7. If you remove your lenses with a \_\_\_\_\_ make sure you know exactly where the lens is.  
 10. When cleaning your contact lenses, always start with \_\_\_\_\_ hands.  
 11. You must soak your lenses for at least \_\_\_\_\_ hours, or overnight before wearing.
