Corporate Compliance

Across

- **4.** What we must include on emails to anyone outside our organization
- **5.** What governs a person's behvaior
- **8.** Who we report security breaches to
- 11. Where we log our QA tasks
- 14. The CHSGA Newsletter
- 17. Our internal website
- **18.** This organization makes sure we have a safe work envrionment
- 19. What we must sign annually

- **20.** When we stay within our governing boundaries we are
- **21.** This act prohibits us from disclosing information about a patient
- **22.** Where our polices are housed

Down

- 1. Where our annual training is housed
- **2.** Everyone is responsible for maintaining this
- **3.** Suspicious emails that try to steal information

- **6.** What you must do to the computer when you leave your workstation
- **7.** We take annual training to avoid these issues
- **9.** This is what we call patient information
- 10. Manager nominated award
- 12. Our parent organization
- **13.** This happens four times a year
- **15.** Associates can call this to report any concerns
- **16.** This payor is audited daily
