

# Disco Bebe

## Across

- 4.** Shines in the middle of the dance floor.  
**7.** Another word for urban; where the clubs were that caused the rapid growth of disco.  
**8.** Popular color to wear during the disco craze; is an element on the periodic table  
**9.** A word to describe one of flowery fashion and was sometimes a love of disco, typically traveled in vans with laid-back vibes all around.  
**10.** Synonym for style; what stayed from disco in the 70s spite the Day the Disco died.

## Down

- 1.** Why am I crying in the \_\_\_\_\_ right now? (where disco music bloomed)  
**2.** A word for the entirety of disco fashion and influence. Hint: It sounds like electric.  
**3.** A word that should make its way back into our vocabularies; describes the 70s era.  
**5.** What most disco songs are about.  
**6.** Get down and \_\_\_\_\_. It is also a town according to a song by Lipps Inc.
