

Emerging Vision 2019 National Meeting

Across

- 2. optic
- 6. Thrombosis
- 7. Doctors of optometry
- 8. Optical
- 10. not a doctor
- 11. blood sugar
- 17. dailies
- 19. acetate
- 22. COG
- 23. standards institute
- 26. ODs
- 29. oculus uterque
- 30. edema
- 32. responsible for visual acuity and color
- 33. Reaction of the body's immune system
- 34. extended wear
- 35. Kate Spade
- 38. oculus sinister
- 41. Inflammation of the eyelid

Down

- 1. unable to focus at all distances
- 3. walleyed
- 4. Tom Ford
- 5. hydrophilic plastic material
- 9. progressive lenses
- 12. Transitions
- 13. visual acuity
- 14. one wavelength of light
- 15. visible light
- 16. One of a pair
- 18. one-billionth of a meter
- 20. thinning of the cornea
- 21. Lenses that block horizontal light
- 24. correction of astigmatism
- 25. biofinity
- 27. driving vision

Across

- 28. book vision
- 31. UVA and UVB
- 36. extends across the nose
- 37. colors the iris of the eye
- 39. Not your day
- 40. 7 layer technology
