

Name: \_\_\_\_\_

Date: \_\_\_\_\_

# Engineering Scavenger Hunt

## Across

3. Blueprint engineer

5. What engineer engineers gas paths

7. Distributes electricity

8. Manages and develops human

9. Heating and Cooling system engineer

11. Oversees projects by combining knowledge of engineering

12. Monitors used instruments during \_\_\_\_\_

13. What designs airplanes?

## Down

1. Technology appears in health

2. Computer application engineer

4. Designs processes for science

6. Engineers movements humans make

10. Supply ship engineer
