

# F.I.S.H. and Fish

## Across

2. I will puff up if you tickle my belly, but this is really my way of defending myself  
 4. I have stripes and I have to be between 28" and 35" to be a keeper, take only 1 of me per day.  
 11. My Nickname is SCUP!  
 12. I am a right-eyed flatfish with a small mouth and no teeth.  
 13. Ok, I'm not the prettiest fish in the sea, but I do taste like lobster. I need to be 17" and you can catch me all year!

14. I am a left-eyed fish with a big mouth and sharp teeth!

15. Another name for a particular fish population in an area

16. This means I am indigenous to an area, I'm native...

17. I have wing-like pectoral fins and when you catch me, I will croak at you!

## Down

1. The "S" in F.I.S.H. means that we can keep fish stocks healthy for generations to come!

3. Just caught these fish!!! The "F" in F.I.S.H.

5. The "I" in F.I.S.H. , means I am native to the area.

6. This means eating fresh, local fish is good for you...the "H" in F.I.S.H.

7. They use me to make fish n' chips or fish sticks and I taste like cod, I need to be 19" to keep.

8. Just call me BLACKFISH!

9. This fish needs to be 16" and you can only have 1 per day.

10. Catch a small one, its called a snapper... a big one is called a Gorilla!
