

# Family law

## **Across**

- 2.** A custody order in which the children remain with one parent while the other parent has generous access  
**5.** An adopted child's biological mother or father  
**6.** A custody order in which children spend equal, or nearly equal, time with both parents  
**10.** Any behaviour that endangers a child's development, security, or survival

## **Word Bank**

Best interests of the child  
 Supervised access  
 Siblings  
 Specified access  
 Reasonable access

- 12.** Regular and flexible time spent with a non-custodial parent  
**13.** The only factor used to determine custody and access to a child  
**14.** The parent most responsible for basic child-care jobs

## **Down**

- 1.** Time spent with the non-custodial parent in the presence of another person  
**3.** The care and control of a child

- 4.** The right of a non-custodial parent to visit his or her child  
**7.** An order that a child be removed from his or her parents' custody and become a permanent ward of the CAS  
**8.** Brothers and sisters  
**9.** Selected time spent with a non-custodial parent  
**11.** The process of selecting adoptive parents with whom to place a child, and monitoring the match for a short time
