

Film Language

Across

4. One image fades in while another fades out so that for a few seconds the two are superimposed.
5. A single 'run' of the camera
6. The image appears or disappears gradually
7. The ending of a shot
9. A group of shots depicting 1 action

10. Movement from side to side from a stationary position.

Down

1. A group of sequences, or a group of shots
2. Movement up and down from a stationary position.
3. Movement outwards away from a subject
8. The camera is not stationary but moves to follow a person or object.
