# Florida Tour

## Across

5. This Dr. J arrangement can only be sung at a certain time of day (or else it would be weird)

10. When did the cab go down?

11. Although in a group of three, which appalachian folk song are we taking on tour?

12. This piece was originally written for an all woman choir, but was adapted for us

15. In this energetic piece, the men have to remember the difference between an e natural and an e flat!

17. This song was originally for the 2013-2014 seniors, but we keep bringing it back!

18. What is coming?

## Down

1. Although we don't usually use it, this piece calls for an organ accompaniment

2. This woman's piece is named after a famous biblical city

3. We sing this song when people give us free food

4. This Chamber Choir piece sounds like a pilgrim love letter to Jesus

6. This piece was written by someone who attended the same college as Dr. J

7. In which piece do the men contemplate being aliens?

8. With this piece we will be bringing Christmas to Florida early!

9. In the Visayan Folk Song, what did the mother go to buy?

13. What is the city called?

14. This is the famous composer of our annual german piece

16. This famous composer known for his Canon in D, also wrote Nun danket alle Gott
