

# Fundamentals of USDA Foods for NSLP

## Across

1. Number of Cases x Delivery Cost Per Case + \_\_\_\_\_ = Total Invoice to CE.  
 5. DoD Fresh Program allows CEs to use their entitlement dollars to buy fresh \_\_\_\_\_.  
 7. In \_\_\_\_\_, USDA announces published commodity rate of assistance.  
 8. CE's \_\_\_\_\_ than 100 miles from an ideal city will be charged a 20 case minimum rate.  
 11. Download complaint forms from \_\_\_\_\_.

13. Regular USDA Foods, also known as \_\_\_\_\_, are USDA Food items not sent for further processing.  
 16. All CEs participating in \_\_\_\_\_ are eligible to participate in USDA Foods.  
 17. Represents the value of the food that you receive.  
 18. USDA will ship requested food items to state contracted \_\_\_\_\_.
- Down**
2. Foods that do not use entitlement dollars.  
 3. \_\_\_\_\_ x by Commodity Rate of Assistance = Estimated Entitlement  
 4. Processing Co-ops provide pooled \_\_\_\_\_ power through a single entity.

6. Domestically grown foods from farms across the US that are procured by the USDA and then donated to CEs for their use in food service operations.  
 9. Delivery fees are updated \_\_\_\_\_.  
 10. Pounds diverted to a processor must be in \_\_\_\_\_ quantities.  
 12. In \_\_\_\_\_, USDA reconciles the previous year's entitlement purchases.  
 14. In Texas, there are 3 Value Pass-Through (VPT) options: Net Off Invoice, Refund Option, or \_\_\_\_\_.  
 15. Evaluating resources, projecting expenses, and determining needs are ways to \_\_\_\_\_.
