Gender Inequality

Across

- 5.** Unwelcome and demeaning sexually related behaviour makes an intimidating and offensive work environment.
- 7.** The dominance of men over women.
- 9.** Invisible barrier that prevents women from advancing to the top jobs in organisations.
- 11.** The intentional killing of a newborn. Female babies are more likely than male babies to be murdered in cultures that devalue women.

Down

- 1.** Social expectations about behaviour deemed appropriate for the members of each sex.

- 2.** The process of developing the behaviours, thoughts and emotions associated with a particular gender.
- 3.** The inequality between men and women in terms of wealth, income and status.
- 4.** Form of feminist theory that thinks gender inequality is caused by unequal access to civil rights and certain social resources, such as education and employment based on sex.
- 6.** Members of early women's movements who pressed for equal voting rights for women and men.
- 8.** The forcing of nonconsensual vaginal, oral or anal intercourse.
- 10.** The biological and anatomical differences distinguishing females from males.
