

# Geography Unit 1

## Across

4. A four pointed or eight pointed symbol showing the major directions of a compass  
 5. Animals that rely on plants as their food source  
 8. An organization that manages the lands around a river system  
 10. Removal of ore by digging directly into deposits near the surface  
 15. Distance, east or west, from the meridian  
 16. The mark that humans leave on the earth's surface  
 17. Lines that divide a map into squares, with numbers along the top and bottom and letters along the sides  
 18. Rock that contains enough mineral content to make mining worthwhile  
 19. A bounded area; a locality such as a town or city  
 20. A system for moving products that use standard sized metal boxes that attach to trucks, trains and ships

22. A part of the earth's surface that has similar characteristics throughout its extent

23. Half of a sphere or globe, especially the earth

27. Plants that have not been introduced by humans

29. The act or process of having an effect on each other

30. Description of a place in relation to other places, using landmarks, distance, or compass directions

31. Living things that eat meat

32. The flow of people, products, information, and elements of nature

## Down

1. Somewhere with at least 1000 people clustered close to one another

2. The study of the earth's surface and people's relationship to it

3. Using the forest wisely

6. Where all the trees in an area are cut down

7. Distance, north or south, from the equator

9. A map that shows information about a particular topic

11. A plant or animal that is at risk of becoming extinct

12. A description of a place independent of any other place

13. Transportation systems that include buses, subway trains, streetcars and commuter trains

14. The layer of gases that surrounds the earth

21. Physical surroundings and conditions

24. The height of land and the depth of the ocean

25. An area drained by the waters of a river system

26. Spoiled, reduced in quality

28. An object or landform that identifies a place
