

# Girls Without Education

## Across

2. Girls cannot attend school when on their \_\_\_\_\_ because of the lack of bathrooms and sanitary products

5. Many schools have no \_\_\_\_\_, so girls don't know how to prevent unwanted pregnancies or STDs

8. Especially in areas of poverty, girls are valued for their \_\_\_\_\_ and \_\_\_\_\_ rather than knowledge.

12. Africa has deeply engrained \_\_\_\_\_ that simply don't support the education of girls or support that they should become wives and mothers instead.

13. low rates of education help keep Africa poor and feed this \_\_\_\_\_

15. If a family cannot afford to send all its children to school, they will often send their \_\_\_\_\_ while the girls stay home.

16. Young girls who are pregnant and unmarried are often shamed into this

## Down

1. This makes it difficult for girls to attend school because of school fees and the cost of supplies

3. An example of this is the Chibok schoolgirls kidnapping, or the sexual assault of a young schoolgirl

4. Africa has the world's largest \_\_\_\_\_ shortage, who are needed to educate others

6. Many schools will \_\_\_\_\_ pregnant students.

7. Another barrier to a girl's education and a cause for Africa's rapidly growing population

9. Africa has almost 200 \_\_\_\_\_ for every 1,000 adolescent girls.

10. An education makes it more likely for girls to find a stable \_\_\_\_\_

11. Many schools in Africa do not have this, and if they do, they are likely not gender separate

14. Country with the highest rate of child marriage and teen pregnancy
