

# HHSA NCO FRC- Jan 2018

## Across

3. Motivation, Rewards & Recognition  
Establish a \_\_\_\_\_ of excellence  
by recognizing high performance

6. the core values of Integrity,  
Stewardship and Commitment guide  
leadership decisions and actions to ensure  
a culture of trust and inclusion and is can  
be summed up in this one word:

7. The final step in the Data-Driven  
improvement cycle is:

10. What is the phrase that means to:  
"set priorities and direction to achieve  
the Live Well San Diego vision and other  
agency objectives" within the General  
Management System

12. The Monitoring and Control step of  
the GMS is to \_\_\_\_\_ and report  
progress in order to make adjustments as  
needed.

13. The Operational Planning step of the  
GMS is for us to Create a \_\_\_\_\_ and prioritize the use of  
our resources.

## Down

1. Which step of the GMS allows for  
individuals and departments to  
collaborate and share knowledge across  
departments to align goals and functions?

2. This program allows employees to  
explore select classifications by pairing  
participants with an experienced Career  
Guide over a three month period.

4. \_\_\_\_\_ expanded the original  
general management system (GMS) with a  
forward looking lens.

5. this communicates the County's  
priorities for the upcoming five year  
period and ensures that County operations  
and goals are strategically aligned to at  
least one of the Four Strategic Initiatives

8. Genuinely connect with others to  
build rapport and trust and treating  
people in ways that signify respect to  
them and their differences are examples  
of:

9. \_\_\_\_\_-\_\_\_\_\_ being curious  
about who people are and what matters  
to them. While still being able to reflect  
on your own reactions when someone has  
different opinions.

11. This is the acronym for our role in  
the San Diego Region for Organizational  
Situation.
