

# Hobbies and Leisure

## **Across**

4. A celebration, entertainment, or series of performances of a certain kind  
 6. A packed meal (traditionally held in a basket) eaten outdoors, usually in nature  
 7. A shelter made of canvas or fabric that's supported by poles and stretched tight by cords attached to pegs driven into the ground  
 8. An area in or near a city, usually laid out with walkways, paths, playgrounds, etc., and used for public recreation  
 10. An outdoor social gathering where food is cooked over an open flame grill

## **Down**

1. A place (usually sandy) where a sea or lake meets the land  
 2. An electronic game in which players control images on a video screen  
 3. A social gathering for entertainment purposes, typically involving eating, drinking and dancing  
 5. A string instrument, usually made of wood, that makes music when the strings are plucked  
 9. A device that records visual images in the form of photos or videos
