

# How do people make ethical decisions?

## Across

- 4.** Something that logically or naturally follows from an action
- 6.** The biblical rule of 'do as you would be done by' (Matthew. 7:12)
- 7.** The study of morality
- 9.** An ethical theory that is concerned with what is the most useful thing to do
- 10.** Performing acts which are seen as right: knowing the difference

## Down

- 1.** A person who says that its the consequences which you judge to be right or wrong, not the action
- 2.** Teaching/Instruction/Guide-line
- 3.** A person who says its the action which you judge to be right or wrong, it doesn't matter what the consequences are
- 5.** People who do not believe in God
- 8.** Performing acts which are seen as wrong
