

# Industrial Revolution

## **Across**

- 3.** A worker, from the Latin word proletarius which referred to people without property, the lowest class of Roman citizens.
- 6.** A period of poor business and high unemployment.
- 9.** Money or property, especially when used to make more money.
- 13.** A system of government in which the state controls the economy and runs businesses for the benefit of the citizens.
- 15.** A public display of agricultural and industrial progress
- 16.** What happens when prices go up and money is worth less.

- 17.** The movement from one place to another.
- 18.** The ability to resist or not be seriously affected by a disease.
- 19.** All the things that people have that make their lives comfortable-food, clothing, shelter, services, and so on.
- 20.** When both the seller and the buyer of an item or service agree on a fair price without anyone else's influence.
- 21.** A person who wants to change conditions he or she thinks are harmful.

## **Down**

- 1.** The result of a poor diet.
- 2.** To stop working until certain demands are met.

- 4.** Aid given by government agencies to those in need.
- 5.** An animal used for pulling loads.
- 7.** Healthy, clean living conditions.
- 8.** Hunting or fishing on another person's land without the right to do so.
- 10.** A time large numbers of workers are fired, often with no warning.
- 11.** Water beneath the Earth's surface.
- 12.** Different people doing different jobs that in the end all combine to finish a complicated task or activity; also called specialization.
- 14.** The head of the majority party in a parliamentary government.
