

# KEEPING NZ CLEAN

## Across

- 5. We all live on it
- 6. NZ have a shortage of these
- 8. The Maori word is tiaki
- 9. soon the ozone layer will be \_\_\_\_\_
- 13. DOC is a part of this for conservation
- 14. Kauri Dieback is a big problem

## Down

- 1. Birds find this place an amazing place to live
- 2. \_\_\_\_\_ can be detrimental to the worlds life cycle
- 3. It is a layer which protects the world.
- 4. Harming the world with this makes it harder for people to care for the land

7. \_\_\_\_\_ polluting our land

10. We should all \_\_\_\_\_ together

11. They stand tall in the forest.

12. Green and nice to walk on
