

Labor and Wages

Across

- 4. worst period of economic decline in U.S. history, lasting from approximately 1929 to 1939
- 5. demonstrate or march before a place of business to protest a company's actions or policies
- 8. court order issued to prevent a company or union from taking or not taking action during a labor dispute
- 9. temporary government takeover of a company to keep it running during a labor-management dispute
- 11. theory that employers are willing to pay more for people with certificates, diplomas, degrees, and other indicators of superior ability
- 13. wage rate leaving neither a surplus nor a shortage of workers in the market

- 14. provision in a contract outlining the way future disputes and grievance issues will be resolved
- 15. protest in the form of refusal to buy, including attempts to convince others to take their business elsewhere
- 16. process of resolving a dispute by bringing in a neutral third party to help both sides reach a compromise
- 17. arrangement under which workers must join a union after being hired
- 19. lowest legal wage that can be paid to most workers
- 20. union-organized work stoppage designed to gain concessions from an employer
- 21. agreement by two parties to place a dispute before a third party for a binding settlement; also called binding arbitration

Down

- 1. labor union whose members perform the same kind of work; same as trade union
- 2. prevented or forbade
- 3. year serving as a point of comparison for other years in a price index or other statistical measure
- 6. seemingly invisible barrier hindering advancement of women and minorities in a white male-dominated organization
- 7. theory that employers are willing to pay more for people with certificates, diplomas, degrees, and other indicators of superior ability
- 10. length of time a person has been on a job
- 12. dollar amounts or prices that are not adjusted for inflation
- 18. wage, fringe benefit, or work rule given up when renegotiating a contract
