

Landscapes

Across

2. A small, shallow body of water that is completely surrounded by land

9. A raised piece of land that is higher than the surrounding land, but smaller than a mountain

10. A flat area of land that is higher than the ground around it

Down

1. A natural elevation of the Earth's Surface rising more or less abruptly to a summit

3. A view of a certain large area of land

4. A piece of land that is almost surrounded by water and is connected to a large body of land

5. A deep valley with steep sides often with a stream flowing through it

6. An area of low land between hills or mountains, often with a river flowing through it

7. A large, natural stream of moving water that empties into a lake, an ocean, or a larger river

8. A large area of land that is flat or nearly flat
