

Let's go to the beach

Across

- 1. These animals are called tortoises on land
- 2. It slips through fingers and holds up ships
- 5. This is an object that people use to get around from one coast to another
- 7. People do this in clear water to see the wildlife in the ocean
- 8. These sting you and you can heal the burn sensation with pee

- 10. This activity is done on a board

- 11. These animals are intelligent

Down

- 3. These animals are blind but they sense movement and are attracted to the smell of blood
- 4. Where fish live and lay their eggs
- 6. What kind of fish is Nemo?
- 9. The thing that gets EVERYWHERE
