

Name: _____

Life for soldiers in WWI

Across

- 2. places where soldiers would sleep
- 4. A stretch of wasteland where soldiers would 'go over the top' to fight in
- 9. These were built when both sides came to a standstill
- 10. When neither side can progress or move
- 11. Soldiers were only given a certain amount of this to have a day

Down

- 1. Enemies would use this to slowly incapacitate and eventually kill soldiers

- 3. An infection soldiers would get from all the mud and puddles
- 5. These were used to blow up trenches from long distances
- 6. Some soldiers fell sick with this from the chaos of war, including Walter Tull
- 7. What was one of the biggest killers during WWI
- 8. Sometimes soldiers would wake up to these crawling over them
