# Mary Kay Products

## Across

6. Like with a house, it provides a base for your makeup to sit on & can protect your skin from the elements
7. Helps to slim facial features by creating shadows
8. Should be sprayed at the nape of the neck, on the wrists and behind the knees
9. This item can add volume and/or length to your lashes
10. Adds emphasis on facial features by adding luminosity

## Down

1. What do microdermabrasion, sugar scrubs & loofahs have in common
2. Song by Lil Mama; Generally clear & shiny, but can add a hint of color to lips
3. Can absorb up to 2x it's weight, this active ingredient in our mask absorbs excess oils & other impurities deep within skin
4. Excess oil production can be a result of not enough
5. The 1st step in a good skincare routine
