# Math Bonus

## Across

2. parallel lines have...

9. same slope and same y-intercept

10. by substitution

## Down

1. fails the vertical line test

3. think points connected

4. graph individual equations

5. every input has a different output

6. not proportional

7. think dots

8. has a constant rate of change

## Word Bank

continuous

algebraically

no solution

infinite solutions

linear

discrete

function

non function

non linear

graphically
