

Name: _____

Date: _____

Measurement

Across

3. The quantity of three-dimensional space enclosed by a closed surface
6. 2.54 centimetres
8. Three-dimensional
10. One Thousand meters
11. 100 centimetres

12. A mathematical rule expressed in symbols

14. The indices for volume

Down

1. The measure of the total area that the surface of the object occupies

2. One hundredth of a meter

4. 0.1 centimetre

5. The outside of a shape

7. Two-dimensional

9. A metric unit of capacity (equal to 1000 cubic centimeters)

13. The inside of a shape
