

MEMORIES OF ANDREA'S TIME AT LEIGH

Across

- 3.** this person is your frontline right-hand
4. the forest fires created a lot of this, which kept us inside
10. an embarrassing assembly moment when you had to do this
13. veins, hips, and eyes oh my
17. the man was here, moved to the creek then to see the Habs
19. resulted in temperatures above 40 degrees
21. the school rocks to this beat, thanks to your brother's connections
24. this message was graffitied on the boy's bathroom wall especially for you
25. acceptable drink to get you through the day
27. this baby was born in our forest
29. not the boxer, but the owl that gave us something to write about
30. used to alert you of sick kids in class

- 31.** this was an uninvited flying visitor in Michelle's room

- 33.** here is your bag, now drive along

- 34.** time spent with a small group of 5-year-olds

Down

- 1.** a collaborative K partnership that required this

- 2.** the dad that made a tearful speech every September

- 5.** upgraded to improve ventilation

- 6.** a well-deserved drink choice on Friday nights

- 7.** because of these, falling trees kept us inside

- 8.** the new walls were talked about for years before your arrival, but you had to deal with inconvenience repair to this

- 9.** sharing our land with many 4-legged

- 11.** this head teacher ran our morning meetings before her departure last year

- 12.** caused unexpected evacuations

- 14.** friend, colleague and co-pilot

- 15.** created a cozy and united staff

- 16.** you taught Kindergarten on this day

- 18.** gave us a renovated office and a new gym floor

- 20.** these hide our smiles and our looks of exhaustion

- 22.** kept us inside for 7 days also name for an older woman on the prowl

- 23.** the messenger of joy was found in a portable

- 26.** these dirty trousers created quite the smell while the K's are drumming

- 28.** created these on our land to play within

- 32.** after a few years of being overpopulated, we lost some of our staff and students to this new school SMILING
