

Migration

Across

2. Permanent movement undertaken by choice.

8. Net migration from urban to rural areas in more developed countries.

9. Form of relocation diffusion involving a permanent move to a new location.

10. Migration to a new location

Down

1. An environmental or cultural feature of the landscape that hinders migration.

3. Large-scale emigration by talented people.

4. All types of movement from one location to another.

5. Factor that induces people to leave old residences.

6. The area subject to flooding during a given number of years according to historical trends.

7. Laws that place maximum limits on the number of people who can immigrate to that country each year.
