

Name: _____

Date: _____

Molecules

Across

- 1. Polymer of lipid
- 5. Many Molecules bonded together
- 8. Chemicals found in Carbohydrates
- 12. Monomer of Carbohydrate
- 14. Energy source for body

- 15. Polymer of Protein

- 16. Responsible for Long term storage of energy

Down

- 2. Molecule contains CHONP
- 3. Polymer of Carbohydrate
- 4. Chemicals found in lipids

- 6. Monomer of Protein

- 7. One molecule of a Chemical
- 9. Chemicals found in Proteins
- 10. Monomer of Lipid
- 11. Makes up Hair, nails, and muscles
- 13. Building blocks of life
