

Name: _____

Musical Genres

Across

- 3. guitar, banjo, mandolin, fiddle, voices, roots of country music, similar to folk
- 5. from the Caribbean, electric guitar, drums, bass, and vocals
- 8. guitar, drums, bass, keyboard, amplified!, many kinds through the decades
- 12. rap, typically upbeat, drums, keyboard, bass, or electronic
- 13. stories through music, classical singing, orchestras, typically no dialogue
- 14. reflects African-American rhythms and improv, beginning of funk and hip-hop
- 15. orchestral instruments, chamber ensembles, piano, voices, sometimes in a foreign language

- 16. Rock + Horns, can be upbeat or slow, originally African-American groups
- 17. Rock + Bluegrass, sometimes sounds 'twangy', typically from the South, Southwest US, lyrics often about rural living
- 18. telling a story through speaking and singing, comes from opera, usually singing in a chest voice (belting), think Disney and Broadway

Down

- 1. singer/songwriter, sometimes sounds like bluegrass, guitar/piano and voices
- 2. sometimes acoustic, sometimes electronic, no or few voices, chill
- 4. brass, woodwinds, drums, piano, voices and instruments, swung eighths, improvisation!

- 6. strong beat, fast tempo, synthesizers, DJ
- 7. only voices, usually small groups, high, medium, low, bass, beatbox (Pitch Perfect!)
- 9. foundation of rock/pop, voice, guitar, drums, bass, same chords over and over
- 10. Chant (simple melodies, just voices), Choral (voices and accompaniment), Gospel/Spirituals (originated in Black churches), Contemporary (pop/rock/hip-hop but about Jesus)
- 11. spans many genres, but is usually fairly simple and ALWAYS catchy
