# My Time With Each of YOU! - by Jamie Bell

Across

5. "Keep curing Cancer!"

7. You inspried me with your story. Thank you for sharing it with me, and for answering my skin care and chemo questions!

10. You are always thinking, always rushing! Thank you for answering my questions!

11. Your name rhymes with tall, which is ironic. Thank you for answering my crazy questions and letting me play with the miniature over-priced linac model!

12. You go above and beyond with your patient's care... and even help them with their hair!

13. You are brave, eloquent, smart, lovely and so kind. You are a stellar human being. Thank you for teaching me and for encouraging me!

15. You went out of your way to share your thoughts, your experience, and even photos of your family! Thank you!

16. I loved that each of my clinic days started with you. Thank you for sharing your faith, your thoughts, your family, and your joy. You are a light woman!

Down

1. Together, you make an amazing _____.

2. I came to really appreciate your sharp focus and your decisiveness.

3. You are a good teacher and a steady source of encouragement, mentoring, support and good conversation. Thank you so much!

4. You have the intuition of a sage, like a grandfather, yet you are young. You taught me so much about Radiation Therapy, but you taught me even more about myself. You have my thanks.

6. You are hilarious, and a great doctor. Thank you for BOTH!

8. I loved watching you watch over your team and your patients. You hover with style, strong vision and purpose. Thank you for checking in on me each day.

9. You always reminded me to be safe on my MAX ride home, even that Monday after your dad passed away. I'm so sorry about your dad. Thank you for your steady sweet nature!

14. My Sherpa! You took tender care of me as your student, always watching with a kind and invested eye. Thank you so much for your instruction, your encouragement, and your sharp humor!
