

PRISM Wellness

Across

- 5.** Little or no capacity to experience sexual attraction until a strong romantic or emotional connection is formed with another individual
- 7.** A plant used throughout history to represent same-sex love, especially lesbianism
- 8.** Gender-neutral pronouns that can be used instead of he/she
- 9.** A person who experiences sexual, romantic, physical, and/or spiritual attraction for members of all gender identities/expressions
- 10.** Sexual identity of homosexual men, although some homosexual women may also use this term

15. The assumption that everyone is heterosexual and that heterosexuality is superior to all other sexualities

16. A person with no (or little) connection to the traditional system of gender

Down

- 1.** A woman attracted to women
- 2.** Flowers worn by men in Oscar Wilde's generation to identify themselves as gay
- 3.** The idea that gender identities and expressions do not fit on a linear scale, but rather on a sphere
- 4.** Transgendered persons who opt to have their bodies surgically and hormonally reconstructed to match their gender identity

6. The practice of having multiple open, honest, usually non-possessive relationships.

11. This term refers to a person who is attracted to two sexes or two genders, but not necessarily simultaneously or equally

12. Describes an identity that may change or shift over time between or within the mix of the options available

13. Experiencing little or no sexual attraction to others and/or a lack of interest in sexual relationships/behavior

14. The process of flattening one's breasts to have a more masculine or flat appearing chest.
