

Parts of the body

Across

- 5.** You remember things and make decisions with it
- 6.** You put your headphones on them
- 8.** You can get a really bad sunburn on them in the summer
- 10.** It does not work well when you are sick or have a cold

Down

- 1.** Spiders have eight
- 2.** You use it to hold things
- 3.** Most people have hair on top of it
- 4.** It hurts a lot in the morning if you sleep in a bad position at night
- 7.** Like fingers but on your feet
- 9.** You put makeup on them
