

# Pedestrian & Bicycle Safety

**Across**

- 3. Bicyclists are \_\_\_\_\_ on controlled-access highways, expressways and certain other marked roadways.
- 5. Bicyclists are \_\_\_\_\_ to travel in the same direction as vehicles.
- 6. In two-way traffic, pedestrians should walk \_\_\_\_\_ oncoming traffic.
- 7. A \_\_\_\_\_ or pedestrian crossing bridge should be used when available.
- 10. Bicyclists should \_\_\_\_\_ just to the right of faster moving traffic.

**Down**

- 1. Drivers must \_\_\_\_\_ to a bicyclist just as they would to another vehicle.
- 2. Pedestrians must give the \_\_\_\_\_ to drivers.
- 4. \_\_\_\_\_ should not be used at night when approaching an oncoming bicyclist.
- 8. Pedestrians must not \_\_\_\_\_ on a roadway unless there is no sidewalk or shoulder next to it.
- 9. Pedestrians must always obey \_\_\_\_\_ and bridge gates and other barriers.
